EUCCHARISTIC ROSARY CONGRESSES: A GIFT FROM OUR LADY IN 1979

The Rosary Congress is the impetus to unleash the Divine Mercy upon us. It was the Rosary Congress that preceded the Communist government's miraculous withdrawal of their restrictions on Pope John Paul II's visit to Poland in 1979. The nine days that followed his arrival in his homeland, changed the world. We have that ability to unleash the power of Divine Mercy upon our country and subsequently upon the world through the Rosary Congress.

TODAY, in order to combat the affront on the family and faith in Jesus in the Eucharist, she has initiated a revival of this powerful yet tender devotion in our country.

St. John Bosco's dream of the two pillars shows the Church anchored safely between the Eucharist and The Mother of the Eucharist. Devotion to the Eucharist and to Mary and her rosary will bring floodgates of graces & mercy to our Church, nation and all humanity.
